Tapescript

Johannes	Hi Charlotte, Hi Nikau! How are you guys doing?
Charlotte	Kia ora, you two! That's how we say "hello" in New Zealand.
Andreas	Oh, that's interesting. I bet that's Māori, right?
Nikau	That's absolutely correct. We can't wait for you to come over and visit us when this pandemic is over.
Charlotte	Yes Nikau, and we can finally visit a Māori village and learn more about the Māori culture – your family's roots. Where should we go to get the full experience?
Nikau	The best place to get to know the Māori culture is in Rotorua. There's a Māori village called Tamaki nearby, where you'll be able to learn about our traditions.
Johannes	Sounds like a plan. What can you do there?
Nikau	You can do a cooking class and learn how to make a special burger, the Puku burger. That's a kind of burger invented by the Māori, which is similar to fried bread.
Charlotte	It's delicious, I'm sure you'll enjoy it. We'll also take you to experience a traditional performance of the Māori warrior women, the kapa haka. Māori people express and show their cultural identity through singing and dancing. You'll feel as if you are stepping into another world!
Andreas	Amazing, I've always wanted to do something like that! Are there any other activities you can recommend?
Nikau	I can think of one, but you need a lot of courage to do it. I'm not sure if it's for you! <i>(laughing)</i>
Johannes	Come on, you know we love a bit of excitement!
Charlotte	True, but are you ready to jump off a bridge or from a helicopter?
Johannes	Ready when you are!
Nikau	Ha, ha, okay – challenge accepted. I've never done it before, but the four of us could do a tandem jump in a region called the Bay of Plenty.
Andreas	I'm not sure if that's something I would enjoy. What do people like about it?
Charlotte	Oh, that's easy to answer. The thrill comes from the free-falling and the rebound. You'll get a rush of adrenaline that you'll never forget!

Musterprüfung Englisch MSA – weitere Aufgaben

Nikau	That would really be a pretty good idea because the city Tauranga is also located in the Bay of Plenty. From there we could go to Waiotapu.
Johannes	What can you do there?
Charlotte	Well, Waiotapu is a geothermal area with a lot of geysers. You can watch the Lady Knox Geyser erupt every day at 10:15 a.m. The eruptions can last up to an hour and the jet of water can reach up to 20 meters.
Nikau	Seriously, there are so many things to show you!
Andreas	And it will be awesome to see you guys again. We'll keep you updated. Until then, stay safe!
Charlotte	You too! We can't wait! Miss you!
